KALIMAYE LANE, LA ROSA, NEW GROVE, MAURITIUS 51213 | +23057892239 | BHARATIHANJARY02@GMAIL.COM |

Professional Summary

I am a high-achieving registered medical officer with clinical experience working in various departments as a registered medical officer at Wellkin Hospital, a pre-registration house officer at Jawaharlal Nehru Hospital and Wellkin Hospital, and previously as a medical student at Dr A.G. Jeetoo Hospital. I have acquired clinical and surgical skills with much emphasis on practical procedures, effective communication of information to patients and their families and providing treatment while respecting the ethics of medical practice. I wish to further expand my clinical knowledge by becoming part of your institution and providing my services as a medical officer to your hospital.

Skills & abilities

Polyglot: English, French, Hindi, Bhojpur, Mauritian Creole
Emergency management including intubation, insertion of central line and chest drain.
Minor surgical procedures
Patient diagnosis and treatment plan development
Computer literacy
Soft skills such as empathy, strong communication with patient and relatives, including breaking bad news, adaptability, resilience, teamwork, leadership and organizational abilities.

Experience
